Sarah Barrett of Lincoln is one of six high school students nationwide selected to participate in the 10th annual State of Our Nation's Youth press conference.

### Barrett

The Horatio Alger Association of Distinguished Americans conducts an annual teen survey to examine varying types and levels of family and peer support American youth receive, their outlook on numerous issues and what these students see as their biggest obstacles.

Results of the survey will be released Tuesday during the national press conference, and the six student participants, including Barrett, will answer questions and offer opinions on various topics.
